

## AT THE BOUNDARY – LORE PERLS AND GESTALT THERAPY

a documentary film about the life and work of Lore (Laura) Perls. She is the co-founder of Gestalt Therapy and has deeply influenced its development until now. The film was produced on the occasion of Lore Perls' centenary (1905-1990).

Historical documents and interviews with contemporaries describe her fateful course of life and show the origins of Gestalt Therapy as created by Fritz and Lore Perls and acknowledges Lore's determining influence.

Comments and examples for the practical application of Gestalt Therapy by Fritz and Lore Perls, as well as by Lore's pupils, demonstrate the characteristics and principles of Gestalttherapy as a method developed from psychoanalysis.
